

ServiceTitan

## Fully Integrated ROI Dashboard

Through our integration with ServiceTitan, we seamlessly mine your customer data on a daily basis. This valuable data is then cleansed, processed, and analyzed in our ROI dashboard, delivering comprehensive & transparent results & ROI analysis from your direct mail marketing campaigns

## ROI Dashboard

It's so great having experts to help our company maximize our investment into direct mail marketing. The ROI Dashboard is another fantastic way in which to keep ourselves on task and budget conscious. I highly recommend Mail Shark!

Sue Rogerio - Marketing Manager

Golden West Plumbing, Heating, Air Conditioning & Electrical

### We Make It Easy

Automatically pulling all your customer data needed for your direct mail marketing campaigns; from strategy execution to on-demand ROI tracking, we make the process easy.

### Transparent Results

We deliver transparent results, providing you with the ultimate visibility of new customers & total revenue generated from your direct mail marketing campaigns.

### A Trusted Partner

We strive to create long-term partnerships with our clients. By providing outstanding customer service and delivering results, you can always trust the Mail Shark team to do the job for you.
